The new Main St. MLS® Search Form features a sleek and compact design that allows you to narrow down your searches with ease.

Sharing unique results on Social Media also **boosts your performance on search engines**.

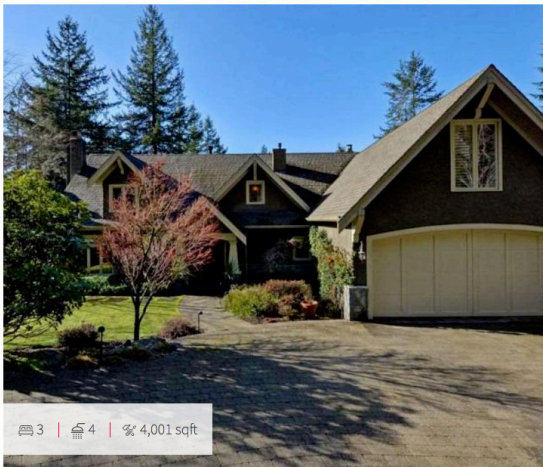

The image shows a compact search form interface. At the top, there are three sliders: a price slider from \$1,000,000 to \$4,000,000, a square footage slider from 1250ft² to Unlimited, and a third slider. Below the sliders is a search bar with a location pin icon, the text 'Vancouver West', and three location tags: 'Cambie x', 'Coal Harbour x', and 'False Creek x'. Below the search bar are three rows of filters. The first row has a house icon, 'Condo', a dropdown arrow, a bed icon, '2 Bedrooms', a dropdown arrow, a shower icon, '1 Bathroom', a dropdown arrow, and a 'Waterfront x' tag. The second row has a list icon, 'Listed Price', a dropdown arrow, an up/down arrow icon, 'High to Low', a dropdown arrow, and a red 'SEARCH' button.

MOBILE FIRST DESIGN TO LOOK GOOD ANYWHERE

The Main St. Template is built on a framework that is mobile-first rather than desktop-to-mobile transition. The very DNA of Main St. is mobile-optimized for the iPhone, Androids, Blackberries, iPads, other tablets and of course, laptops and desktops.

A NEW COLLAPSIBLE MOBILE MENU

Hide or reveal the menu on mobile to allow for less scrolling and more room to see your site's beautiful content. Menus and its sub-items are neatly tucked away and easily accessible. This also means more brand exposure for our Realtors.
